Dear Sir,

Enclosed please find my  
personal check for \$10.00. I  
would like both Whitewash I  
and Whitewash II.

I have read all the  
literature I can locate on  
criticism of the Warren  
Commission, and also heard  
you on the T.V. panel special  
several weeks ago as  
well as your interview  
on the Milwaukee radio  
station, WOKY, on 11 Dec 1966.

It is gratifying to see  
people like yourself go after  
the obvious facts and in a  
no hanky-fanky manner.

Please continue your efforts  
and the best of success in  
them.

I am looking forward to

receiving your two books at  
the earliest possible date.

Thank you,

Sincerely,

Mrs. June M. Arnold
